DO YOU KNOW?

Do you know that the times that we are living in are evil times? Do you know that all these things mean that the "time of the end" is near? Do you know that the only sure safety and way for escape from the times of trouble is to seek Jesus? Did you know that all must repent and be baptised in Jesus' name (Acts 2:38) that they may have life and have it more abundantly, which means the receiving of the Holy Spirit as in Acts 2:4? Did you know that God baptising people and filling them with the mighty power of the Holy Spirit causing them to speak in other tongues as the Spirit gives utterance? For Scriptural information, look up Acts 2:4; 10:45-46; 19:5-6. Did you know that Christ was today healing many the same as he did of old? The prayer of faith shall save the sick, Jas. 5:15.

Do you know that there is now a meeting being conducted in your own town where you may have the blessed privilege of hearing the above blessed truths.

CONTEST BETWEEN MONETT AND SPRINGFIELD TEAMS

On Sunday, July 20, the Monett Midgets and Springfield Reds will settle the question of supremacy.

The Reds have the honor of being the only team that has defeated the Monett Midgets this season. The first game was a thirteen inning game with a 3 to 2 score in favor of the Midgets. The second game resulted in the Midgets' only defeat in a score of 3 to 4. As both teams have been strengthened considerably a real ball game is assured.

The management has cancelled all "small town" contracts and a team must show class in order to get a game with our boys.

The pitcher staff, Bridges, Tate and Turpin, need no personal mention as they are all well known. With Garrison and Vermillion on the receiving end of the battery, they are second to none outside of the big leagues. With stringer at the initial sack, Fisher at second, Squibb at third, "Gov." Folk at short, Archdale, Feehan and Dawson decorating the garden, they compare favorably if not superior to the old Midgets in their palmy days.

Come out and see the best game of the season.

Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflammation of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, 75c. **F. J. CHENEY & CO., Toledo, O.**
